National Two-Year College Council

Date: January 4, 1994

Enclosed is the approved version of the By-Laws of the Two-Year College English Association and the Regional Associations. This is the culmination of the intensive work of the National Two-Year College Council over the past few years.

The serious work for this document began in Mississippi in May of 1992 when the NTCC restructure committee formulated a working paper. That position paper defining the direction for two-year colleges within NCTE was published in the October, 1992 issue of *TETYC*. A considerable amount of dialogue, discussion, and work resulted in the positions taken by the College Section of NCTE, NCTE, and CCCC. For a thorough discussion of the issues involved, see the October 1992 issue of *TETYC* and Helon Raines article, "Reseeing the Past, Recounting the Present, Envisioning the Future: The Teaching of English in the Two-Year College," in the May 1993 issue of *TETYC*. What remains is the implementation of the By-Laws.

The major changes between TYCA and NTCC are found on the first three pages. The intent is to create a stronger and more responsive national structure with a much more visible executive committee without destroying the already strong regional structure. The remaining pages apply to the regional associations (previously called conferences) and remain virtually the same as the old by-laws of NTCC.

This document was approved by the National Two-Year College Council at its regular meeting on November 18, 1993. As of this date it has been ratified by two of the six regionals of the NTCC. When two more have ratified the document, it will be operational. We expect all six to have ratified the document by March, 1994. In addition, it has been approved in spirit by the English Council of California Two-Year Colleges.
