

ROCKLAND COMMUNITY COLLEGE

Memorandum

TO: NTCC Representatives
FROM: Libby Bay, NERC Representative to NTCC
DATE: March 23, 1993

The Northeast Regional Conference held a very successful meeting in Boston, Massachusetts from October 29 to October 31, 1992. The conference was hosted by Dean Community College and Bunker Hill Community College; its theme was "Innovation and Change: Keeping Alive in the Nineties."

Attendance was high - the city, the program and the speakers transcended increasing budget restrictions on travel money. Donald Hall was a true highlight and, despite recent illnesses, he is exuberant, lyrical and articulate. The Poet's Circle had new invigoration with its placement outside the regular schedule, and introduction of hosted dinners was so successful that it will become a regular feature of NERC.

Next year's conference is planned for Princeton, N.J., and we should be able to build on the increased membership rolls of 1992.

The Executive Committee is instituting State representatives both to increase membership and to maintain close contacts within the region. It is also trying to develop a new brochure if funds can be raised.

More to come...
