

Pacific Northwest Regional Conference
Report to NTCC
March 30, 1993

The PNRCEYC has had few activities since its October conference at Spokane Falls Community College. The bulk of those efforts have been by James Janz of Columbia College Burnaby, B.C., who is local arrangements for the 1993 conference. He has recruited Alban Goulden of Vancouver Community College, Langara Campus as the program chair. The conference will be held on October 21-23, 1993. We are looking forward enthusiastically to another fine conference planned and executed by our Canadian colleagues.

Other than the conference planning, the main efforts of the regional have been the planning of the NTCC breakfast for which the regional dispersed a check for \$2000 to the Shearton Harbor Island which we expect will be covered by the contributions of our publishing friends and authors.
